Central government
 Certify by parliament

We have designed a face to face and roundtable process of participation which have been holding at the (CBCP) or sometime with inviting all stakeholders to make their opinions clear for participating in some specific potential regions. We are facilitating and playing a key role to join all rural residents who want to impact on the planning process with helping them to send their suggestions or even complaint to call 137 (the center of public -distance communication at Mashhad municipality) or Presence

Supreme Urbanization and Architecture Council of Iran is a council that consists of urbanization and roads, housing, agriculture, industrial, cultural heritage are members of it.

The Large Scale Projects of CBCP

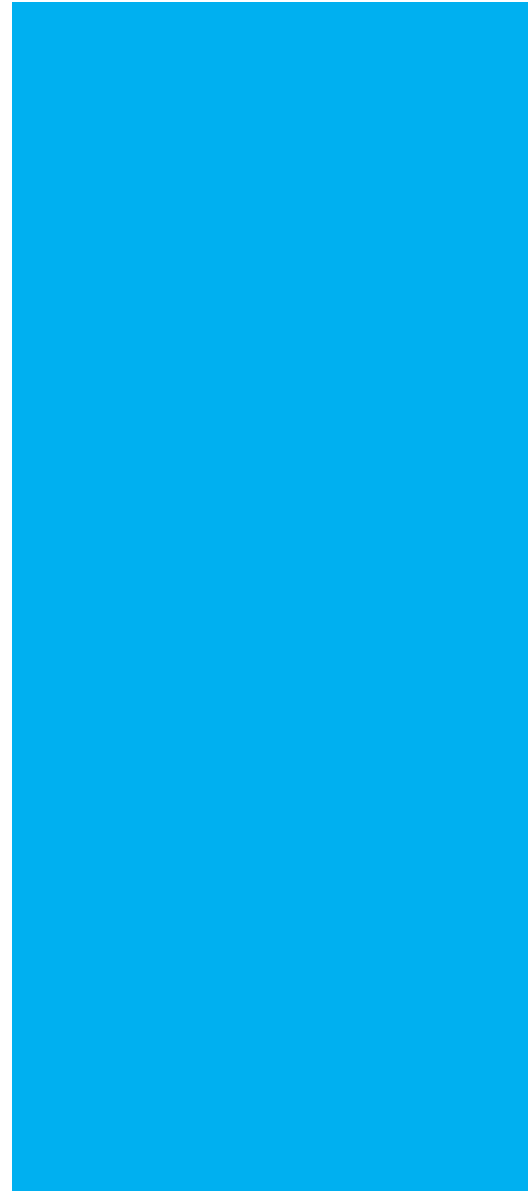

**With Local
Participation
Approach**

Negotiating with the
local rural managers
And NGOs

To
Participate
in the large subprojects
planning process
of CBCP

Participating local rural managers

to motivate rural residents

- Holding meetings with local rural managers and rural residents for Kashafud river regeneration program.
- Suburb residents participation in Kashafud river (Kashaf river)

The Subproject of Kashafrud

- It is a historical river that flows from the Hezar Masjed Mountains in the northeast of Iran. It passes from the north of Mashhad
- The municipality of Mashhad planned to Regenerate the river regarding the fact that it was not its direct responsibility.

محین‌های اقتصادی خراسان رضوی برای مقابله با کرونا وارد میدان شدند

مشهد- ایرنا- دبیر نهاد مردمی اقتصاد مقاومتی خراسان رضوی گفت: محین‌های اقتصاد مقاومتی استان در روزهای گذشته برای مقابله با شیوع ویروس کرونا اقدامات فراوان انجام داده‌اند.

به گزارش روز سه‌شنبه روابط عمومی استانداری خراسان رضوی علی‌اکبر نیکانی افزود: راهداری، خط تولید، کمک توزیع رنگارنگ بطری، سازه‌های ضدآلودگی برای مردم، توزیع پوشش‌های آموزشی، جهت پیشگیری از شیوع کرونا، انجام عملیات ضدعفونی شهرهای استان و کمک به مراکز درمانی بخشی از اقدامات محین‌های اقتصاد مقاومتی در این ایام بوده است.

وی ادامه داد: به عنوان مثال استان قمی رضوی به عنوان صحن اقتصادی شهرستان سرخس در راستای جلوگیری از شیوع ویروس کرونا، عملیات ضدعفونی سطح شهر سرخس را با ۱۳ هزار لیتر سم پاشی یا هنگامی شهرداری این شهر انجام داد که مدت یک هفته ادامه دارد.

The Initiative is a planning process took into action by Mashhad municipality to encourage rural residents to produce masks and detergents and it is a strategic action which aim to raise awareness among the villages near Mashhad and frankly it is above our duties

AhluBayt News Agency (ABNA): The head of project manager city boundary at Mashhad municipality urban planning and architecture section has announced recently: "The Initiative is a planning process took into action by Mashhad municipality to encourage rural residents to produce masks and detergents and it is a strategic action which aim to raise awareness among the villages near Mashhad and frankly it is above our duties".

"Mashhad is the second biggest city in Iran has experienced dramatic changes especially in its periphery".

"Considering the fact that all comprehensive urban plans just establish to cover legal urban zone but we decided to bridge these gaps and develop it to extensive areas and it was an initiative action to participate and motivate rural residents in the larger scale to create a sensual atmosphere in this critical moments for people who are living in villages to sense they have a right their voice be heard".

The Innovative Ideas started at Mashhad municipality amid the covid-19 pandemic. In this regard, city boundary coordination project (CBCP) at Mashhad municipality and West rural collaborative companies sign a contract.

The result was astonishing and the homemade masks produced by rural residents and it will increase in the following months. On the other hand, over 500 banners for raising awareness of covid-19 in the rural area near Mashhad have been mounted by Mashhad municipality and it will cover more villages in the near future he said.
