

## FATİH MUNICIPALITY COMMUNICATION CENTER

### STEP 1 REGISTERING THE REQUESTS OF PEOPLE

The demands of the people who reach the communication center are analyzed.

Demands are analyzed according to their regions.

Projects are being developed in this direction.

### STEP 2 PROJECT DEVELOPMENT ON DEMAND.

For example, it has been determined that the most desired project by people is the cat food machine.

### STEP 3 PROJECT DEVELOPMENT IN LINE WITH REGIONAL ANALYSIS

Cat food machine is placed in the areas where people want the most

## FATİH CARD-SURVEY SYSTEM

### STEP 1 SENDING THE SURVEY LINK FROM THE FATİH CARD APPLICATION

#### Mobile Push Notification Application

Survey questions are sent to Fatih Card users via instant notifications.
